

Federal Republic of Somalia
Ministry of Agriculture & Irrigation
Office of the Director General

XAFIISKA AGAASIMAHA GUUD

REF: WB&W/XAG/364/2025

Date: 14-MAY-2025

To Whom It May Concern,

Subject: Official Recognition and Recommendation of Adel Organic Fertilizer as Somalia's Organic Fertilizer Provider

It is with great confidence that the **Ministry of Agriculture and Irrigation of the Federal Republic of Somalia** formally recognizes ****Adel Organic Fertilizer**** (Registration No: **6871/NC24**) as the organic fertilizer producer and distributor in Somalia. The company is the Ministry's exclusive partner in implementing the National Agricultural Transformation Plan (NATP) 2025–2030, a strategic initiative to modernize Somalia's farming sector through sustainable practices.

This recognition is based on the company's exceptional commitment to sustainable agricultural development, the quality and safety of its products, and its alignment with national standards and environmental guidelines.

Since its establishment, Adel Organic Fertilizer has demonstrated a profound commitment to enhancing soil fertility, increasing agricultural productivity, and promoting environmentally friendly farming practices across Somalia. The company has played a pivotal role in introducing organic solutions that reduce the dependence on chemical fertilizers, while contributing to long-term agricultural sustainability.

After thorough evaluation and close collaboration with the Ministry's agricultural research and field extension teams, it is evident that Adel Organic Fertilizer meets all regulatory requirements and has maintained consistent product quality and supply throughout the country. As such, this Ministry fully recommended Adel Organic Fertilizer and recommends its products for use in national agricultural programs and farming operations at all levels.

We encourage public and private sector stakeholders, development partners, and farmers across Somalia to engage with Adel Organic Fertilizer for their organic soil nutrient needs, knowing that the company upholds the highest standards of agricultural and environmental integrity.

Please consider this letter as an official recommendation of ***Adel Organic Fertilizer*** as the organic fertilizer provider in Somalia*.

Best regards,

Prof, Mohamoud Mohamed Mohamoud

Director General of Ministry of Agriculture & Irrigation Federal Republic of Somalia
